

## FIRE & RESCUE BANKING

**Let us be of service to you.**

At Orange Bank, we understand and appreciate the first responders who work tirelessly to keep our communities safe.

That's why we offer a suite of services designed to help you handle your banking needs with ease.

### **Old-Fashioned Personal Service and Industry Expertise**

At Orange Bank & Trust we have provided clients with exemplary personal service for over 130 years. Our team of dedicated bankers and industry specialists are here to bring you the expert support you need to achieve your financial goals so you can help serve the community.

### **Comprehensive Cash Management Solutions**

Our cash management services are designed to help you optimize cash flow, make more informed decisions, and complete transactions more efficiently. Here's a few ways we can support your organization:

- Remote Deposit Capture
- Online ACH & Wire Origination
- Robust Online Banking and Mobile App
- Integration with the Most Popular Accounting & ERP Systems

### **Advanced Technology and Fraud Prevention Tools**

With our cutting-edge technology and powerful fraud prevention tools – like positive pay, ACH Block and Filter, Dual Approval, Multi-Factor Authentication, Personal Wire Confirmation and Account Alerts to name a few – rest assured that you are leveraging the latest in fraud prevention technology with a bank that truly cares.

### **Equipment Loans and Lines of Credit\***

We know it can be difficult for first responders to find the right financing at the right speed for the equipment you need – with Orange Bank, it doesn't have to be. We offer flexible loan options tailored to address your unique needs with fast, local decision making.
